*"Among the grand monuments of love, one rises above all,
As a solitary tear, suspended on the cheek of time"*

Rabindranath Tagore, Indian poet

Taj Mahal commissioned in 1632 by Emperor Shah Jahan to house the tomb of his wife Mumtaz Mahal at the equivalent cost of today's \$900 million dollars. Its construction took 22,000 workers, 1000 elephants, and 22 years to complete.

Predictive Email Filing

The screenshot displays the Microsoft Outlook interface for a user named Michael Sanders. The main window shows an email from Michael Sanders with the subject "Broker Client Update". A blue brain icon with circuitry is overlaid on the email, with a blue arrow pointing to a blue box containing the text: "Prediction of Emails to correct Client/Matter Folders. No need to profile." Below this, a list of folders is shown, including "1970.102 - The second matter - The Year 1970 / Email", "The Year 1970 - The third matter - 1970.103 / Bio", "The Year 1970 - The third matter - 1970.103 / Agreements", and "Test Document Filing / Test for NetDocuments". The right-hand pane shows the email content, which discusses charges incurred for the setup of new countries on EnronOnline.

MS Micha To Michael Sanders 7/13/2017

This message was sent with Low importance.

The story is:

These are charges which are incurred for the setup of new countries on EnronOnline.

The charges were communicated to each of the business units - and agreed to by representatives of those units before we commenced due diligence.

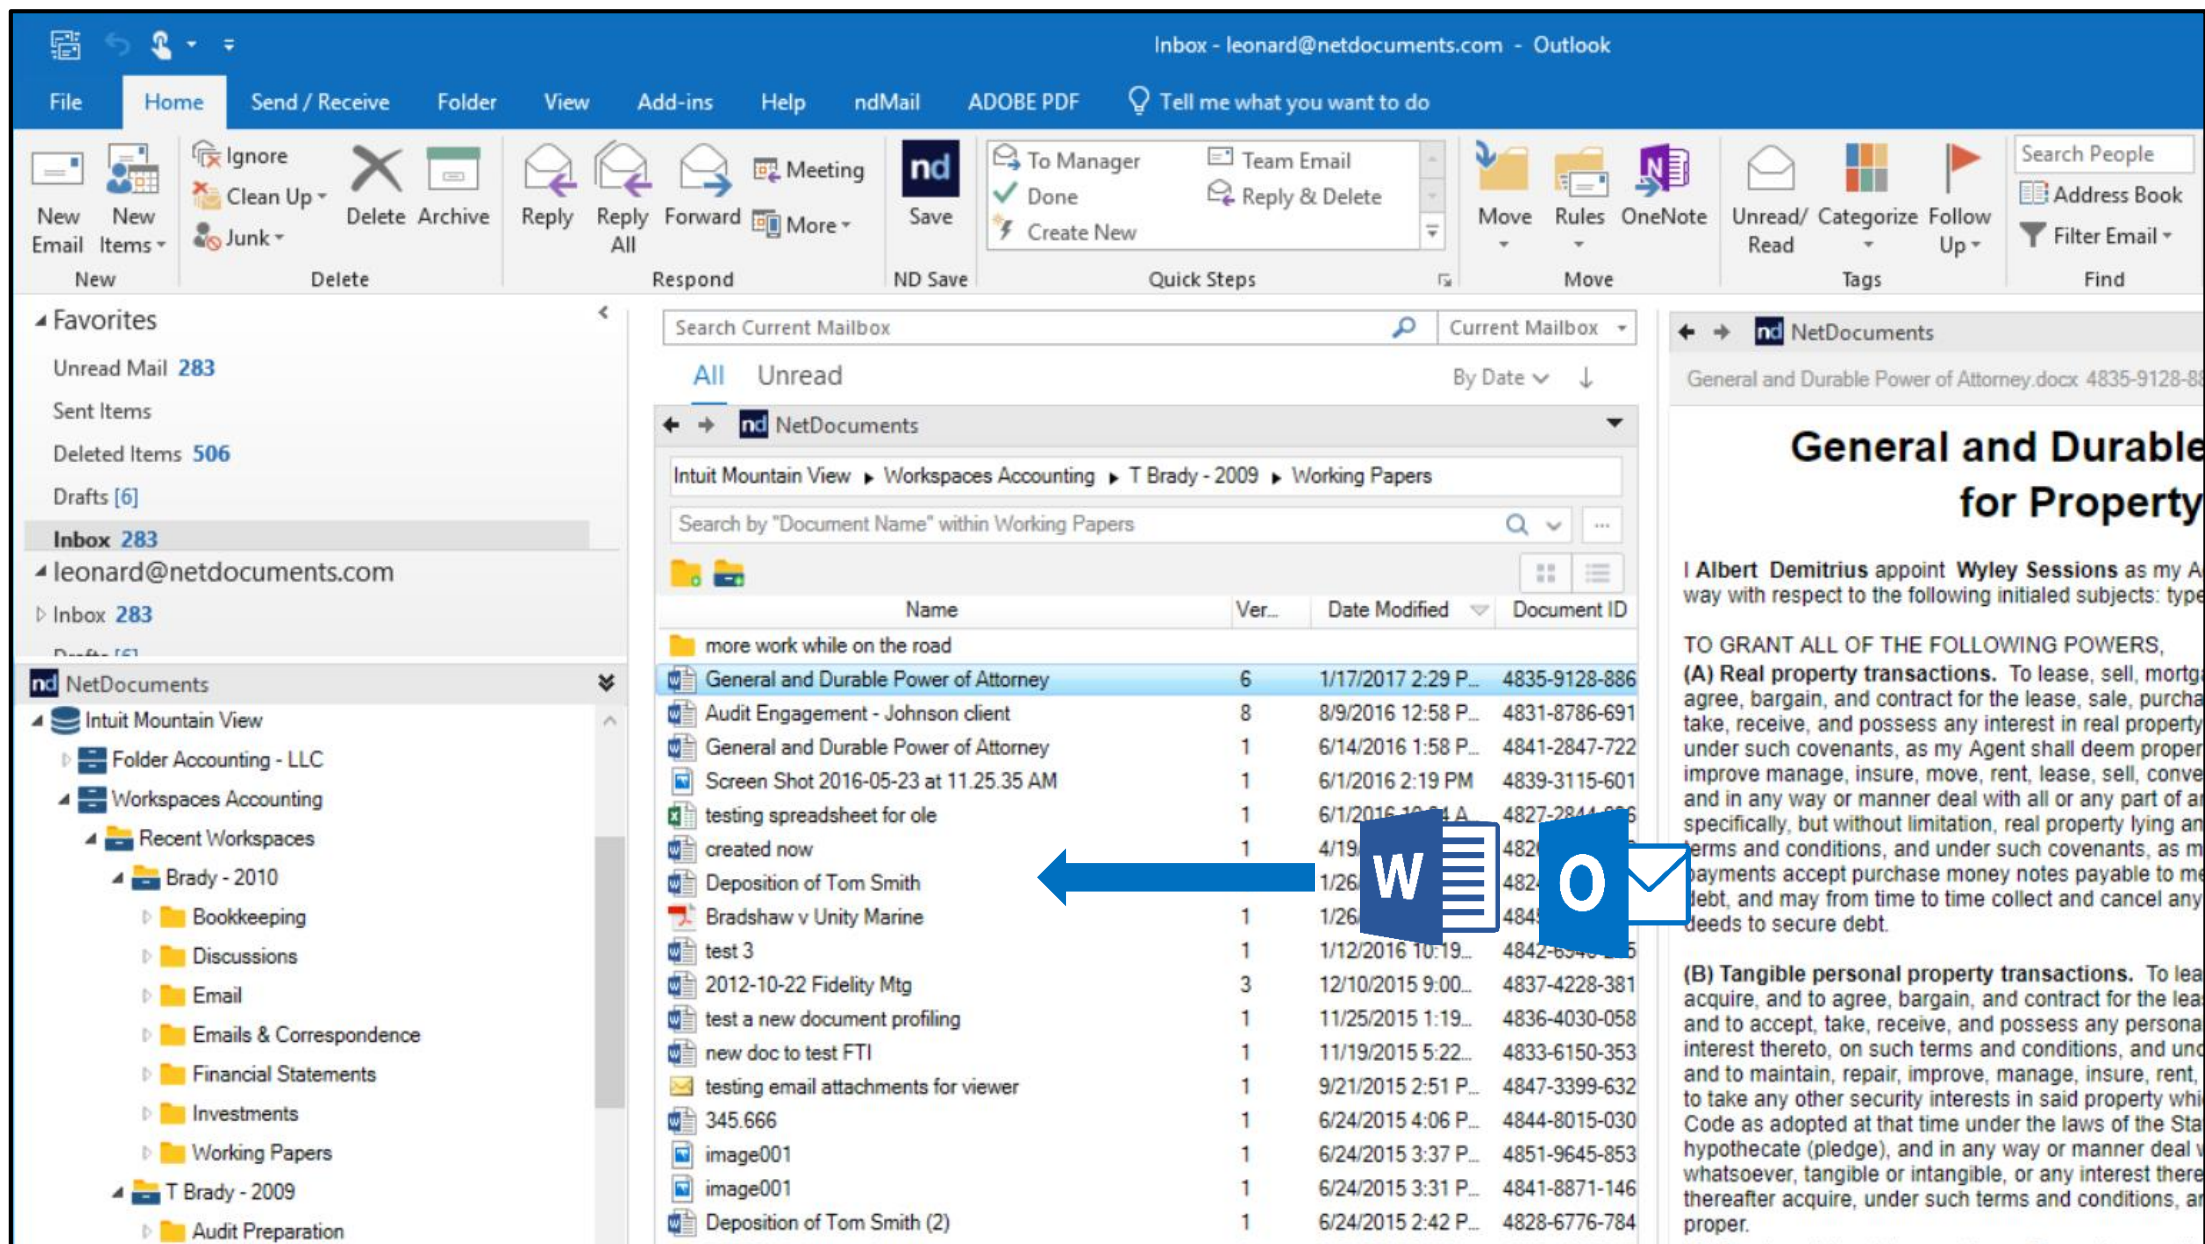

EnronOnline receives cost allocations from legal and these charges are intended to defray those costs.

(of course, this last point is a bit weak - the business units could also claim that they

Documents & Emails in Outlook

The screenshot displays the Microsoft Outlook interface with the 'Inbox - leonard@netdocuments.com - Outlook' title bar. The ribbon includes tabs for File, Home, Send / Receive, Folder, View, Add-ins, Help, ndMail, ADOBE PDF, and a search bar. The Home tab is active, showing various action buttons like New Email, New Items, Ignore, Clean Up, Delete, Archive, Reply, Reply All, Forward, Meeting, Save, To Manager, Team Email, Reply & Delete, Create New, Move, Rules, OneNote, Unread/Read, Categorize, Follow Up, Search People, Address Book, and Filter Email.

The left sidebar shows the 'Favorites' pane with links to Unread Mail (283), Sent Items, Deleted Items (506), Drafts (6), and the Inbox (283). Below this is the 'leonard@netdocuments.com' account section, showing the 'Inbox (283)' and a list of folders under 'NetDocuments'.

The main pane displays a search for 'Current Mailbox' with filters for 'All' and 'Unread'. The search results show a list of documents with columns for Name, Version, Date Modified, and Document ID. The document 'General and Durable Power of Attorney' is highlighted. A blue arrow points from this document to the right pane, which displays the document content.

The right pane shows the document 'General and Durable Power of Attorney.docx' with the following text:

Monument in celebration of Collaboration

Collaboration & Team Productivity

Collaboration for Legal Profession

Located in Salisbury, England, part of a 10,000 year old continuously evolving sacred landscape. Its bluestones come from west Wales (240 miles away). Recent studies with ground penetrating radar & magnetometer suggest it marks the “unification of Britain,” a place where people from all parts of the island would together hunt, work, bury their deceased noblemen, and build a massive complex monument of Collaboration. **Source:** <http://www.livescience.com/22427-stonehenge-facts.html>

The Great Wall of China

An aerial photograph of the Great Wall of China. The wall is a long, winding stone structure that snakes across a series of rolling green hills. The hills are covered in dense, vibrant green vegetation. In the distance, the wall continues to follow the ridges of the mountains, eventually fading into the horizon. The sky above is filled with large, white and grey clouds, suggesting a dramatic or overcast day. The overall scene captures the immense scale and historical significance of the wall as it integrates with the natural landscape.
